Issued to: 24 Hour Fitness Worldwide, Inc.

By: Allied World National Assurance Co., (U.S.) Inc. (hereinafter called "the Company").

In consideration of the premium charged, the following clauses are hereby made applicable under this policy.

MINIMUM EARNED PREMIUM CLAUSE

In the event of cancellation of this policy by the Insured, a minimum premium of \$37,625., shall become earned, any provision of the policy to the contrary notwithstanding.

Failure of the Insured to make timely payment of premium shall be considered a request by the Insured for the Company to cancel on the Insured's behalf. In the event of such cancellation for non-payment of premium, the minimum earned premium shall be due and payable; provided, however, such cancellation shall be rescinded if the Insured remits and the Company receives the full policy premium with 10 days after the date of issuance of the cancellation notice. Such remittance and acceptance by the Company shall not effect the minimum earned premium provision of this endorsement. In the event of any other cancellation by the Company, the earned premium shall be computed pro-rata, not subject to the minimum earned premium.

POLICY DEDUCTIBLE

Each claim for loss or damage separately occurring shall be adjusted separately and from each such adjusted claim, the amount of \$*** shall be deducted. Notwithstanding the foregoing, the deductible amount applying to certain peril(s) insured against by this policy shall be as follows: *** See Pages 6 through 8 of the Coverage Form

In the event of any other insurance covering the property insured hereunder, whether or not concurrent, the deductible(s) specified herein shall apply in full against that portion of any claim for loss or damage which the Company is called upon to pay under the provisions of the Apportionment Clause irrespective of any provisions to the contrary of such other insurance.

CANCELLATION CLAUSE

Except and to the extent of the Minimum Earned Premium Clause which is part of this policy, this clause supersedes other cancellation clauses made a part of this policy.

CANCELLATION: This policy may be cancelled by the Insured by surrender thereof to the Company or by mailing to the Company written notice stating when thereafter such cancellation shall be effective. This policy may be cancelled by the Company by mailing to the Insured, at the mailing address shown in this policy or last known address, written notice, stating when, not less than 90 days thereafter (10 days for non-payment of premium) such cancellation shall be effective. The effectiveness of cancellation is not dependent on the return of unearned premium with the notice. Proof of mailing of notice as aforesaid shall be sufficient proof of notice. The effective date and hour of cancellation stated in the notice shall become the end of the policy period. Delivery of such written notice either by the Insured or the Company shall be equivalent to mailing. If the Insured cancels, earned premium shall be computed in accordance with the customary short rate table and procedure. If the Company cancels, earned premium shall be computed pro rata. Premium adjustment shall be made as soon as practicable after cancellation becomes effective.

SERVICE OF SUIT CLAUSE

Service of Suit: In the event of failure of the Company to pay any amount claimed to be due hereunder, the Company, at the request of the Insured, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this condition constitutes or should be understood to constitute a waiver of the Company's rights to commence an action in any court of competent jurisdiction in the United States to remove an action to a United States District Court or to seek a transfer of a case to another court as permitted by the laws of the United States or of any state in the United States. It is further agreed that service or process in such suit may be made upon Counsel, Legal Department, Company stated on Declarations, 160 Federal Street, 6th Floor, Boston, MA 02110, or his or her representative, and that in any suit instituted against the Company upon this policy, the Company will abide by the final decision of such court or of any appellate court in the event of an appeal.

Further, pursuant to any statute of any state, territory, or district of the United States which makes provision therefor, the Company hereby designates the Superintendent, Commissioner or Director of Insurance, other officer specified for that purpose in the statute, or his successor or successors in office as its true and lawful attorney upon whom may be served any lawful process in any action, suit, or proceeding instituted by or on behalf of the Insured or any beneficiary hereunder arising out of this policy of insurance and hereby designates the above named Counsel as the person to whom the said officer is authorized to mail such process or a true copy thereof.

NUCLEAR EXCLUSION CLAUSE

The Company shall not be liable for loss by nuclear reaction or nuclear radiation or radioactive contamination all whether controlled or not, and whether such loss be direct or indirect, proximate or remote, or be in whole or in part caused by, contributed to, or aggravated by the peril(s) insured against in this policy. If the peril of fire is insured under this policy, then, subject to the foregoing and all provisions of this policy, direct loss by fire resulting from nuclear reaction or nuclear radiation or radioactive contamination is insured against by this policy.

SALVAGE AND RECOVERY CLAUSE

All salvages, recoveries and payments recovered or received either prior or subsequent to a loss settlement under this policy shall be applied as if recovered or received prior to the said settlement and all necessary adjustments shall be made by the parties hereto, including deduction of the Company's cost of recovery or salvage.

REPORTING CLAUSE

Notwithstanding that the Insured may be obligated to report full values for premium purposes, the Company's maximum limit of liability shall not exceed that amount stated as the policy limit of liability.

PROOF OF LOSS AND PAYMENT

The Insured shall complete and sign a sworn proof of loss within ninety (90) days after the occurrence of a loss (unless such period be extended by the written agreement of the Company) stating the time, place and cause of loss, the interest of the Insured and of all others in the property, the sound value thereof and the amount of loss or damage thereto, and all other insurance thereon. All adjusted claims shall be due and payable thirty (30) days after the presentation and acceptance of satisfactory proof(s) of loss at the office of the Company at 160 Federal Street, 6th Floor, Boston, MA 02110.

GOVERNMENT ACTIVITY CLAUSE

The Company shall not be liable for loss or damage caused by or resulting from: (1) the seizure or destruction of property insured by this policy by any government body, including any customs or quarantine action, or (2) confiscation or destruction of any property by order of any government or public authority, except an order to destroy property to prevent the spread of fire or explosion.

B. Business Interruption

- 1) Loss resulting from necessary interruption of business conducted by the Insured, whether total or partial, and caused by loss, damage, or destruction covered herein during the term of this policy to real and personal property as described in Clause 7.A.
- 2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED by the Insured, consisting of the net profit which is thereby prevented from being earned and of all charges and expenses only to the extent that these must necessarily continue during the interruption of business excluding Ordinary Payroll and only to the extent such charges and expenses would have been earned had no loss occurred.

"Ordinary payroll" is defined to be the entire payroll expense for all employees of the Insured except officers, executives, department managers, employees under contract, and other important employees as determined by the Insured.

- 3) In the event of loss, damage, or destruction covered herein to property as described in Clause 7.A, which results in an interruption of research and development activities which in themselves would not have produced income during the indemnity period, this policy shall cover the actual loss sustained of the continuing fixed charges and expenses, including Ordinary Payroll directly attributable to such research and development activities.
- 4) However, the Company(ies) shall not be liable under this Clause B. for any loss resulting from damage to or destruction of finished stock nor for the time required to reproduce said finished stock. Finished stock shall mean stock manufactured by the Insured which in the ordinary course of the Insured's business is ready for packing, shipment, or sale.

 - (b) by making use of available stock, merchandise, or other property; such reduction shall be taken into account in arriving at the amount of loss hereunder.
- 6) Experience of the Business:
 - (a) In determining the amount of net profit, charges and expenses covered hereunder for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the experience of the business before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real or personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available experience of the business after completion of the construction, erection, installation, or assembly.
 - (c) With respect to property under course of construction, delay in opening caused by an insured peril, loss shall be deemed an insured loss for business interruption purposes if the business operations fail to begin on the scheduled completion date existing at the time of insured loss, all other issues being equal. The loss

amount shall be determined by evaluating the actual income experienced after actual reopening and applying said levels of income experienced for the time delay period. The time delay period is equal to the difference between the actual opening date of operation and the scheduled completion date existing at the time of the insured loss.

C. Extra Expense

- (1) Extra Expense incurred resulting from physical loss, damage, or destruction covered herein during the term of this policy to real or personal property as described in Clause 7.A.

- (2) "Rental Value" is defined as the sum of:
 - (a) the total anticipated gross rental income from tenant occupancy of the described property as furnished and equipped by the Insured; and
 - (b) the amount of all charges which are the legal obligation of the tenant(s) and which, because of loss, would otherwise be obligations of the Insured; and
 - (c) the fair rental value of any portion of said property which is occupied by the Insured.
- (3) Experience of the Business:
 - (a) In determining the amount of rental value covered hereunder for the purposes of ascertaining the amount of loss sustained, due consideration shall be given to the rental experience before the date of damage or destruction and to the probable experience thereafter had no loss occurred to real and personal property as described in Clause 7.A.
 - (b) With respect to alterations, additions, and property while in the course of construction, erection, installation, or assembly, due consideration shall be given to the available rental experience of the business after completion of the construction, erection, installation, or assembly.

E. Royalties

- (1) Loss of income to the Insured under royalty, licensing fees, management fees and/or commission agreements between the Insured and another party which is not realizable due to loss, damage, or destruction by any of the perils covered herein during the term of this policy to property of the other party.
- (2) If such loss occurs during the term of this policy, it shall be adjusted on the basis of ACTUAL LOSS SUSTAINED of such income referred to in paragraph 1 above, which would have been earned had no loss occurred.

- (3) Resumption of Operations: The Insured shall influence, to the extent reasonably possible, the party with whom the agreement described in paragraph 1 above has been made to use any other machinery, supplies or locations in order to resume business so as to reduce the amount of loss hereunder, and the Insured shall cooperate with that party in every reasonable way to effect this, but not financially unless such expenditures shall be authorized and paid by the Company(ies).
- (4) Experience of the Business: In determining the amount of income derived from the agreement(s) described in paragraph 1 above for the purpose of ascertaining the amount of loss sustained, due consideration shall be given to the amount of income derived from such agreement(s) before the date of damage or destruction and to the probable amount of income thereafter had no loss occurred to real and personal property of the type insured under this policy of such other party.

- (5) Fine Arts shall be valued at the appraised value; or, if there is no appraisal, at the greater of the original acquisition cost or the market value at the time of the loss.
- (6) Other property not otherwise provided for, at replacement cost new on the same premises as of the date of replacement.
- (7) Permission is granted for the Insured to replace the damaged property with any property at the same site and/or at another site and/or new site within the territorial limits of this policy, but recovery is limited to what it would cost to replace on same site. If property damaged or destroyed is not repaired, rebuilt or replaced within a reasonable period after the loss or damage, this company shall not be liable for more than actual cash value at the time of loss (ascertained with proper deduction for depreciation) of the property damaged or destroyed. However, limitations imposed by federal, state or municipal building codes shall not result in actual cash valuation.
 - a) The Insured may elect not to repair or replace the insured real and/or personal property lost, damaged or destroyed. Loss settlement may be elected on the lesser of repair or replacement cost basis if the proceeds of such loss settlement

are expended on other capital expenditures related to the Insured's operations within two years from the date of loss. As a condition of collecting under this item, such expenditure must be unplanned as of the date of loss and be made at an Insured Location under this policy.

- (8) For property in Transit the amount of recovery shall be the value stated on the invoice, including prepaid or advance freight, if any, plus the profit or commission of the named insured as selling agent, and such other cost and charges as may have been accrued and become legally due thereon since shipment. In the absence of an invoice, the measure of loss shall be actual cash value at the point of shipment after taking into account all allowances for depreciation.

13. EARTHQUAKE AND FLOOD

A. Each loss by earthquake or flood shall constitute a single occurrence hereunder if:

- (1) more than one earthquake shock occurs within any period of 168 hours during the term of this policy, the beginning of which 168 hour period may be determined by the Insured; or
- (2) any flood occurs within a period of the continued rising or overflow of any river(s) or stream(s) and the subsidence of same within the banks of such river(s) or stream(s); or
- (3) any flood results from any tidal wave or series of tidal waves caused by any one disturbance.

Earthquake is defined as a shaking or trembling of the earth that is tectonic in origin including resulting tsunami.

Flood is defined as a rising and overflowing of a body of water onto normally dry land.

- B. Should any time period referred to in Clause A. above commence prior to expiration or cancellation date of this policy, the Company(ies) shall pay all such Earthquake or flood losses occurring during such period as if such period fell entirely within the term of this policy.
- C. The Company(ies) shall not be liable, however, for any loss caused by any Earthquake or flood commencing before the effective date and time or commencing after the expiration date and time of this policy.

14. ACCIDENT

The term "accident" is defined solely for the determination of the limits of liability and/or deductible(s) and application of the Sue and Labor and Suspension section only. The term "accident" shall not limit or define the perils or coverages provided elsewhere in this policy.

A. The term "accident" shall mean:

- (1) Any condition or occurrence within boilers or fired or unfired vessels owned by, operated by, or under the control of the Insured and subject to pressure or vacuum including piping or apparatus attached to and forming a part thereof, except that the words "any condition or occurrence" shall not include explosion, other than explosion of the parts of a steam boiler containing steam or water, steam piping, steam turbines, or steam engines;
- (2) mechanical breakdown of any machine or apparatus arising out of any condition or occurrence within such machine or apparatus;

- (3) electrical injury or disturbance to electrical appliances, devices, fixtures, wiring, or other electrical or electronic equipment caused by electrical currents artificially generated.

However, the term "accident" does not include:

- (1) loss or damage from fire or from the use of water or other means to extinguish fire; and
- (2) the normal operation of any safety or protective device;

B. The term "accident" shall not apply to the following property:

- (1) property in transit;
- (2) property while in the course of construction, erection, installation, or assembly;
- (3) electronic data processing systems used for administrative, statistical, or accounting purposes;
- (4) any sewer piping, any piping forming a part of a fire protective system, or any water piping other than:
 - (a) boiler feed water piping;
 - (b) boiler condensate return piping;
 - (c) water piping used in a heat transfer system for cooling, humidifying, or space heating purposes;
- (5) any vehicle, aircraft, or self-propelled equipment or floating vessel;
- (6) any elevator, crane, ladle or bucket, hoist, power shovel, drag line, excavator, scale, or conveyor, but not excluding any pressure vessel, gears, engines or electrical equipment used with a machine.

15. CONTRIBUTING INSURANCE

Contributing insurance is insurance written upon the same plan, terms, conditions, and provisions as those contained in this policy. This insurance shall contribute in accordance with the conditions of this policy only with other contributing insurance as defined.

16. EXCESS INSURANCE

Excess insurance is insurance over the limit of liability set forth in this Policy. The existence of such excess insurance shall not prejudice the coverage provided under this Policy nor will it reduce any liability hereunder.

Step Down / Drop Down / Priority of Payments

A. Primary

Any recoveries made under the primary shall first apply to loss or damage not insured against by the excess policy(ies). Upon exhaustion of the primary limit, the excess policy(ies) shall step down and be liable for loss in the excess of the amount attributed to

such policy as respects loss or damage insured thereunder subject to the excess policy(ies) limits.

B. Excess

The amount of loss from any one occurrence, for which this policy is excess, shall be determined by combining the loss, damage or expense as insured under the primary policy.

In the event of loss or damage involving more than one coverage or peril, the Limits of Liability of the underlying policies shall first apply to the coverage(s) or peril(s) not insured by this policy, and the remainder, if any, to the coverage(s) or peril(s) as provided hereunder. Upon erosion or exhaustion of the Limits of Liability of underlying policy(ies), this policy shall then be liable for the loss uncollected from the coverage(s) or peril(s) insured hereunder, subject to the Limit of Liability specified herein.

In the event of reduction or exhaustion of the aggregate limit(s) in respect of flood and/or earthquake designated in the underlying policy(ies), it is hereby understood and agreed that such insurance as afforded by this policy shall apply in excess of the reduced or exhausted underlying limits.

Nothing herein contained shall be held to vary, alter, waive or change any of the terms, limits or conditions of the policy except as herein above set forth.

17. UNDERLYING INSURANCE

- A. Underlying insurance is insurance on all or any part of the deductible and against all or any of the causes of loss covered by this policy including declarations of value to the carrier for hire. The existence of such underlying insurance shall not prejudice or affect any recovery otherwise payable under this policy.
- B. If the limits of such underlying insurance exceed the deductible amount, which would apply in the event of loss under this policy, then that portion which exceeds such a deductible amount shall be considered other insurance, as defined in the Other Insurance clause.

18. OTHER INSURANCE

Except for insurance described by the contributing insurance clause, the excess insurance clause, or the underlying insurance clause, this policy shall not cover to the extent of any other collectible insurance, whether directly or indirectly covering the same property against the same causes of loss. The Company(ies) shall be liable for loss or damage only to the extent of that amount in excess of the amount recoverable from such other collectible insurance. As used herein, "other collectible insurance" does not include self-insurance, deductibles, self-insured retentions or fronting policies.

19. SUBROGATION

- A. Any release from liability entered into by the Insured prior to loss hereunder shall not affect this policy or the right of the Insured to recover hereunder. The right of subrogation against the Insured, affiliated, subsidiary, and associated companies or corporations, the Insured's officers, directors, and employees, or any other corporations or companies associated with the Insured through ownership or management, or between contractors, subcontractors, sub-subcontractors, and at the option of the Insured against a tenant, vendor, supplier, guest, or customer of the Insured, is waived.
- B. In the event of any payment under this policy, the Company(ies) shall be subrogated to the extent of such payment to all the Insured's rights of recovery therefore. The Insured shall execute all papers required and shall do anything that may be reasonably necessary at the

expense of the Company(ies) to secure such right. The Company(ies) will act in concert with all other interests concerned, i.e., the Insured and any other Company(ies) participating in the payment of any loss as primary or excess insurers, in the exercise of such rights of recovery.

If any amount is recovered as a result of such proceedings, the net amount recovered after deducting the cost of recovery shall be divided between the interests concerned in the proportion of their respective interests. If there should be no recovery, the expense of proceedings shall be borne by the insurers instituting the proceedings.

20. SALVAGE AND RECOVERIES

All salvages, recoveries and payments, excluding proceeds from subrogation and underlying insurance, recovered or received prior to a loss settlement under this policy, shall reduce the loss accordingly. If recovered or received subsequent to a loss settlement under this policy, such net amounts recovered shall be divided between the interests concerned, i.e. the Insured and any other Company(ies) participating in the payment of any loss, in the proportion of their respective interests.

21. MACHINERY

In case of loss or damage insured against to any part of a machine or unit consisting of two or more parts when complete for use, the liability of the Company(ies) shall be limited to the value of the part or parts lost or damaged or, at the Insured's option, to the cost and expense of replacing or duplicating the lost or damaged part or parts or of repairing the machine or unit.

22. ERRORS OR OMISSIONS

Any unintentional error or omission made by the Insured shall not void or impair the insurance hereunder provided the Insured reports such error or omission as soon as reasonably possible after discovery by the Insured's home office insurance department.

23. NOTICE OF LOSS

As soon as practicable after any loss or damage occurring under this policy is known to the Insured's Home Office Insurance Department, the Insured shall report such loss or damage to Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210 for transmission to the Assigned Adjuster. Any delay by the Insured in providing notice shall not affect the Insured's right to coverage under this policy, except if and to the extent that the Company(ies) proves that it actually and substantially was prejudiced by any unreasonable delay in notice.

24. PROOF OF LOSS

The Insured, at the request of the Company(ies), will render a signed and sworn proof of loss to the Company(ies) or its appointed representative stating: the place, time, cause of the loss, damage, or expense; the interest of the Insured and of all others; the value of the property involved in the loss; and the amount of loss, damage, or expense.

25. PARTIAL PAYMENT OF LOSS

In the event of a loss covered by this policy, it is understood and agreed that the Company(ies) will issue partial payment(s) of claim subject to the policy provisions, and shall not be less than the undisputed estimate of loss or damage between the Insured and the Company(ies).

26. ASSIGNED ADJUSTER

It is agreed that at the Insured's option, the Company will use:

Michael R. Allen
McLarens
180 Montgomery Street, Suite 2100
San Francisco, CA 94104

for the adjustment of all claims made against this policy. This assignment may be changed by mutual consent of the Insured and the Company(ies). Copies of routine monthly/quarterly reports including reserve amounts to be copied to the Attention of Jodi Jennings, Lockton Inc., 4725 Piedmont Row Dr., Suite 510, Charlotte, NC 28210.

27. APPRAISAL

If the Insured and the Company(ies) fail to agree on the amount of the loss, each, upon written demand of either the Insured or the Company(ies) made within 60 days after receipt of proof of loss by the Company(ies), shall select a competent and disinterested appraiser. The appraisers shall then select a competent and disinterested umpire. If they should fail for 15 days to agree upon such umpire, then upon the request of the Insured or of the Company(ies), such umpire shall be selected by a judge of a court of record in the county and state in which such appraisal is pending. Then, at a reasonable time and place, the appraisers shall appraise the loss, stating separately the value at the time of loss and the amount of loss. If the appraisers fail to agree, they shall submit their differences to the umpire. An award in writing by any two shall determine the amount of loss and shall be paid by the Company(ies) within 30 days thereafter. The Insured and the Company(ies) shall each pay his or its chosen appraiser and shall bear equally the other expenses of the appraisal and of the umpire. However, if the award is greater than the amount offered by the Company(ies) in payment of the loss at any time before the award is rendered, then the Company(ies) shall pay 100% of the fees and expenses for each appraiser and the umpire and for the appraisal.

28. PAIR AND SET

Except as provided under the Machinery clause and paragraph (3) of the Consequential Loss clause, in the event of loss or damage insured against to any article or articles which are a part of a pair or set, the measure of loss or damage to such article or articles shall be, at the Insured's option:

- A. the reasonable and fair proportion of the total value of the pair or set, giving consideration to the importance of said article or articles, but in no event shall such loss or damage be construed to mean total loss of the pair or set; or
- B. the full value of the pair or set provided that the Insured surrenders the remaining article or articles of the pair or set to the Company(ies).

29. ASSISTANCE AND COOPERATION OF THE INSURED

The Insured shall reasonably cooperate with the Company(ies), and, at the Company's reasonable request and expense, shall attend hearings and trials and shall assist in effecting settlements, in securing and giving evidence, in obtaining the attendance of witnesses and in conducting suits.

30. SUE AND LABOR

In case of actual or imminent loss or damage covered by this policy except imminent loss or damage as respects an "accident", it shall, without prejudice to this insurance, be lawful and necessary for the Insured, their factors, servants, or assigns to sue, labor and travel for, in and about the defense, the safeguard, and the recovery of property or any part of the property insured hereunder; nor, in the event of loss or damage, shall the acts of the Insured or of the Company(ies) in recovering, saving,

and preserving the insured property be considered a waiver or an acceptance of abandonment. The Company(ies) shall pay the expenses so incurred.

31. PAYMENT OF LOSS

All adjusted claims shall be due and payable to 24 Hour Holdings I Corp. no later than 30 days after presentation and acceptance of proofs of loss by the Company(ies) or its appointed representative.

32. REINSTATEMENT

With the exception of loss caused by perils which are subject to annual aggregate limits as noted in Section 3, no loss hereunder shall reduce the amount of this policy.

33. SUIT AGAINST THE COMPANY

No suit or action on this policy for the recovery of any claim shall be sustainable in any court of law or equity unless the Insured shall have fully complied with all the requirements of this policy; however, if there is any dispute between the Insured and the as to whether the Insured has fully complied with all the requirements of this policy, such a dispute may be resolved in a suit or action on the policy for recovery of any claim. The Company(ies) agrees that any action or proceedings against it for recovery of any loss under this policy shall not be barred if commenced within two years and one day after the Insured provides notice to the Company(ies) in accordance with clause 23 above, which period shall be tolled from the date of notice until the date that the Insured receives the Company's final coverage decision (this two year and one day period is referred to as the "limitations period"). However, the limitations period shall not apply if by the laws of the State of the address of the Insured such a limitation is invalid or if the laws of the state in which any such action is brought permit a longer period of time within which to commence such a suit. Furthermore, any tolling of the limitations period shall not preclude the Insured from bringing a suit or any other proceeding regarding recovery for any loss or of any claim hereunder during the period of tolling or at any other time. Prosecution of a suit by the Insured shall not be barred due to the failure of the Company(ies) to timely advise and notify the Insured of the expiration of any applicable dates to file and commence said suit.

It is agreed that in the event of the failure of the Company(ies) to pay any amount claimed to be due hereunder or in the event of any other dispute relating to this policy, the Company(ies), at the request of the Insured, will submit to the jurisdiction of any court of competent jurisdiction within the United States and will comply with all of the requirements necessary to give such court jurisdiction and all matters hereunder shall be determined in accordance with the law and practice of such court, not including the court's law regarding choice of law. The Company(ies) shall not transfer, change venue, or remove, or seek to transfer, change venue, or remove any lawsuit filed by the Insured in any such court.

34. CERTIFICATES OF INSURANCE

Any certificate of insurance issued in connection with this policy shall be issued solely as a matter of convenience or information for the addressee(s) or holder(s) of said certificate of insurance, except where any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are named pursuant to the Special Provisions of said certificate of insurance. In the event any Additional Insured(s), Mortgagee(s) or Loss Payee(s) are so named, this policy shall be deemed to have been endorsed accordingly, subject to all other terms, conditions and exclusions stated herein.

The Company(ies) hereby authorizes Lockton Companies, LLC to issue certificates of insurance including any Mortgagee, Loss Payee and Additional Insured clauses.

35. MORTGAGE CLAUSE

Loss or damage, if any, under this policy, shall be payable to any mortgagee, (or trustee) as designated herein by endorsement or certificate of insurance, as interest may appear, under all present or future mortgages upon the property herein described in which the aforesaid may have an interest as mortgagee (or trustee), in order of precedence of said mortgages, and this insurance, as to the interest of the mortgagee (or trustee) only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title of ownership of the property (provided the insured has an insurable interest in property), nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; provided, that in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee (or trustee) shall, on demand, pay the same.

Provided, also, that the mortgagee (or trustee) shall notify the Company(ies) of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of said mortgagee (or trustee) and, unless permitted by this policy, it shall be noted thereon and the mortgagee (or trustee) shall, on demand, pay the premium for such increased hazard for the term of the use thereof; otherwise this policy shall be null and void.

The Company(ies) reserves the right to cancel this policy at any time as provided by its terms, but in such case this policy shall continue in force for the benefit only of the mortgagee (or trustee) for 10 days after notice to the mortgagee (or trustee) of such cancellation and shall then cease, and the Company(ies) shall have the right, on like notice, to cancel this agreement.

Whenever the Company(ies) shall pay the mortgagee (or trustee) any sum for loss or damage under this policy and shall claim that, as to the mortgagor or owner, no liability therefore existed, the Company(ies) shall, to the extent of such payment, be thereupon legally subrogated to all the rights of the party to whom such payment shall be made, under all securities held as collateral to the mortgage debt, or may, at its option, pay to the mortgagee (or trustee) the whole principal due or to grow due on the mortgage, with interest accrued thereon to the date of such payments, and shall receive a full assignment and transfer of the mortgage and of all such other securities; but not subrogation shall impair the right of the mortgagee (or trustee) to recover the full amount of said mortgagee's (or trustee's) claim.

36. CANCELLATION

- A. This policy may be canceled at any time at the request of the Insured or it may be canceled by the Company(ies) by mailing to the Insured at 12647 Alcosta Blvd., Suite 300, San Ramon, CA 94583, written notice stating when, not less than 90 days thereafter, such cancellation shall be effective. However, if such request by the Insured or the Company(ies) occur(s), all Additional Insured(s), Mortgagee(s) and Loss Payee(s) indicated on the certificates of insurance issued during the term of this policy shall receive written notice by mailing to the address(es) noted on the certificates, stating when, not less than 30 days thereafter, such cancellation shall be effective. The earned premium shall be computed on a pro rata basis if cancelled by the Insurer and on a short rate basis if the entire policy is cancelled by the Insured.

- D. In the event of non-payment of premium this policy may be canceled by the Company(ies) by mailing to the Insured at the address shown in A. above stating when, not less than 10 days thereafter, such cancellation shall be effective.
- E. Lockton Inc. will maintain and provide a list of all of the Additional Insured(s), Mortgagee(s) and Loss Payee(s) (including all necessary contact information) to the Company(ies) within 30 days of cancellation.

37. VACANCY

Permission is granted to cease operations or remain vacant and/or unoccupied without limit of time, and such vacancy and/or unoccupancy shall not affect the insurance provided under this policy provided that any existing protective safeguards (including but not limited to security, automatic sprinkler protection) are maintained. For purposes of this coverage, locations are considered "vacant" and/or "unoccupied" if sixty nine percent (69%) or more of the total building area is vacant or unoccupied.

38. JOINT LOSS AGREEMENT (AS APPLICABLE)

With respect to insurance provided by this policy, it is agreed that:

- A. If at the time of loss, there is in existence a policy(ies) issued by a boiler and machinery insurance Company(ies) and/or excess Difference in Conditions (DIC) insurance Company(ies) which may cover the same property or cover the location at which the property subject to loss is situated; and
- B. if there is a disagreement between the companies under this policy and such other contract either as to:
 - (1) whether such damage or destruction is insured against by this policy or by an accident insured against by such boiler and machinery insurance policy and/or excess DIC insurance Company(ies); or
 - (2) the extent of participation of this policy and of such boiler and machinery insurance policy and/or excess DIC insurance Company(ies) in a loss which is insured against, partially or wholly, by any one or all of said policies;
 the Company(ies) shall, upon written request of the Insured, pay to the Insured one-half of the amount of the loss which is in disagreement, but in no event more than the Company(ies) would have paid if there had been no boiler and machinery insurance policy and/or excess DIC insurance policy in effect, subject to the following conditions:
 - (1) the amount of the loss which is in disagreement, after making provisions for any undisputed claims payable under the said policies and after the amount of the loss is agreed upon by the Insured and the companies is limited to the minimum amount remaining payable under either the boiler and machinery and/or excess DIC or this policy(ies);
 - (2) the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies) shall simultaneously pay to the Insured at least one half of said amount which is in disagreement;

- (3) the payments by the companies hereunder and acceptance of the same by the Insured signify the agreement of the companies to submit to and proceed with arbitration within ninety days of such payments;

The arbitrators shall be three in number, one of whom shall be appointed by the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies), one of whom shall be appointed by the Company(ies), and the third of whom shall be appointed by consent of the other two; the decision by the arbitrators shall be binding on the companies and that judgment upon such award may be entered in any court of competent jurisdiction;

- (5) the provisions shall not apply unless such other policy issued by the boiler and machinery insurance Company(ies) and/or excess DIC insurance Company(ies) is similarly endorsed;
- (6) acceptance by the Insured of sums paid pursuant to the provisions, including an arbitration award, shall not operate to alter, waive, surrender or in any way affect the rights of the Insured against any of the companies.

POLICYHOLDER DISCLOSURE STATEMENT UNDER THE TERRORISM RISK INSURANCE ACT

The insured is hereby notified that under the federal Terrorism Risk Insurance Act, as amended, (the "Act"), the insured has a right to purchase insurance coverage for losses arising out of an Act of Terrorism, as defined in Section 102(1) of the Act: The term "act of terrorism" means any act that is certified by the Secretary of the Treasury, in consultation with the Secretary of Homeland Security and the Attorney General of the United States to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside of the United States in case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The insured should read the Act for a complete description of its coverage. The decision to certify or not to certify an event as an Act of Terrorism covered by this law is final and not subject to review.

The insured should know that where coverage is provided by this policy for losses caused by a Certified Act of Terrorism may be partially reimbursed by the United States Government under a formula established by federal law. However, the insured's policy may contain other exclusions that might affect coverage, such as an exclusion for nuclear events. Under the formula, the United States Government will generally reimburse 85% through 2015; 84% beginning on January 1, 2016; 83% beginning on January 1, 2017; 82% beginning on January 1, 2018; 81% beginning on January 1, 2019; and 80% beginning on January 1, 2020, of covered terrorism losses exceeding the statutorily established deductible that must be met by the Company, and which deductible is based on a percentage of the Company's direct earned premiums for the year preceding the Certified Act of Terrorism.

Be advised that the Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap on all losses resulting from Certified Acts of Terrorism. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a calendar year the United States Government shall not make any payment for any portion of the amount of such loss that exceeds \$100 billion. If aggregate insured losses attributable to Certified Acts of Terrorism exceed \$100 billion in a calendar year and the Company has met its deductible under the Act, the Company shall not be liable for payment of any portion of the losses that exceeds \$100 billion, and in such case, insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

Coverage for "insured losses" as defined in the Act is subject to the coverage terms, conditions, amounts and limits in this policy applicable to losses arising from events other than Certified Acts of Terrorism.

The insured should know that under federal law, the insured is not required to purchase coverage for losses caused by Certified Acts of Terrorism. Unless the insured signs this form and returns it to the Company to indicate the insured's rejection of Terrorism Coverage under the Federal Act, the insured will be covered for Terrorism as defined in the Act and the premium for that coverage is \$ _____

The insured hereby rejects coverage in accordance with the Act.
